

BUCKINGHAM BREEZE

Storms: Beauty and Bother

The recent winter snow storms, which produced such breathtaking landscapes have also caused the BHA board to take steps to help those for whom such events can cause extreme difficulty. Approximately one-third of our community was without power for nearly three days during the storm of Thursday, February 17th, while the BHA clubhouse was not effected.

In the future cases like this where the clubhouse continues to have power, the BHA board will take steps to keep it open and available to those who are in need of relief from either the extreme heat or cold. At our last board meeting February 22nd, we also decided to

collect a list of people who would like to be contacted in the event of such an emergency, to make sure that they are all right.

The Buckingham Clubhouse has been designated an official emergency relief site, so our goal is to see that it is used to it's fullest in even relatively minor situations.

In an emergency call the BHA Clubhouse 279-0829.

President's Message

January and February were months of major transition for the BHA board of directors, as two of our members submitted their resignations because of health problems. Bob Olsen left the board in January and David Whitt submitted his resignation in mid February.

During his nearly 8 years on the Board and 4 years as President, Bob skillfully guided this community through a number of difficult issues and we are grateful that he will stay close and available for consultation. I would like to thank David for his work as Election Committee Chairman and Fire Marshall.

Pam Hendricks has joined the board to serve in Bob's position. Sieg Taylor will step into the position held by David.

With these developments, there will be three openings on the board in our next election. The deadline for getting on the written ballot is May 15, 2011.

My sincere thanks to all for their service and willingness to serve.

Bill Giroudy

BHA Ladies Club

The Ladies Club welcomes Julie Hernaez as the 2011 Ladies Club President. Sue Olsen has agreed to stay on as Treasurer, Gail Robello as VP and Bonnie Brady as Secretary. We appreciate all the volunteers who give their time to make our community a great place to live. There are plans in the works for a season of community events plus our speaker series Coffee, Cookies and Conversation. Stay tuned for upcoming speakers and events.

Have ideas for events or just want to become involved? Call Rosey at the BHA office and she'll put you in touch with the right person. Call 279-0829 or email bhaoffice@att.net.

Email List

We are trying to get as many property owners on our e-mail list as possible. So, if you have not sent the office your e-mail, we ask that you do so. Please be assured that we do not share the list with anyone. Not even the board members have access to the entire list.

In addition, if you would like to receive this newsletter electronically, let us know. It would save us some money.
